

How was your childhood like?

**HOW TO BUILD THE
PRESENTATION...**

Next class:

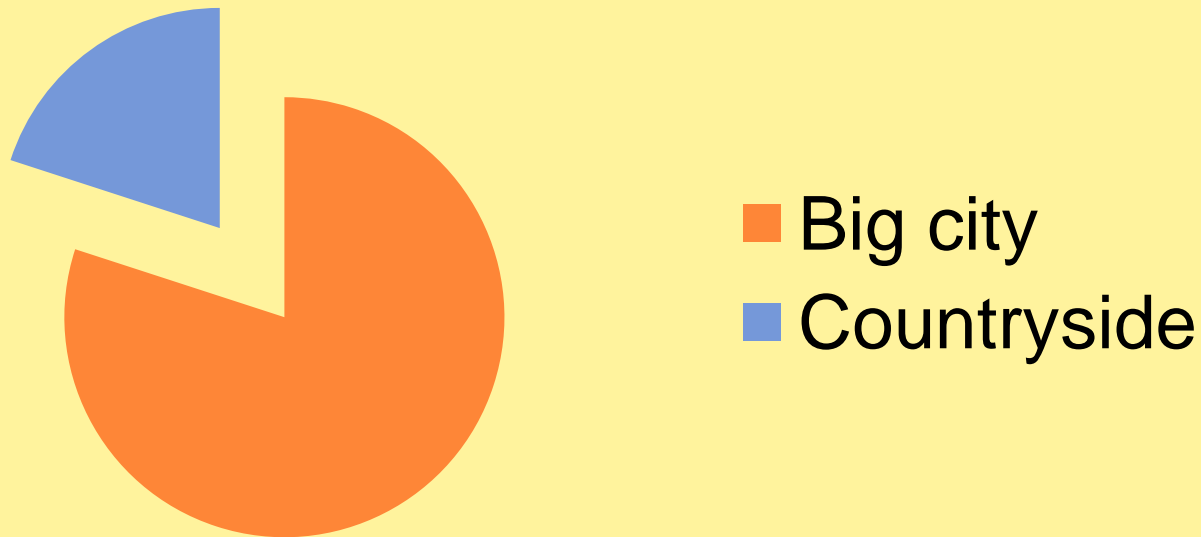

- You are going to present the research you did;
- You have to build a presentation (power point);
- You have to build up graphs and sentences (at least 10);
- You will have 15 minutes to present.

- You can add some other information, like your questionnaire; you can tell something like a self evaluation, the methodology you used...

General information:

Where did you grow up?

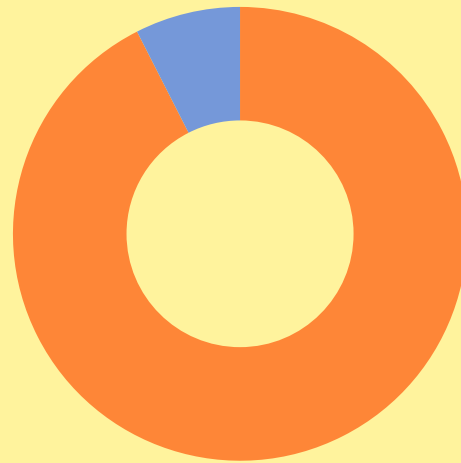

Most people grew up in a big city.
