Dear colaborator,

We are students at IFSUL and we would like you to participate in the project **“How was your childhood like?”**. Our main goal is to understand how different/similar were the activities teenagers and adults used to do in their childhood, as well as lerning English.

Please, read the questionnaire and answer the questions. If you need help to understand, you may ask help.

Thank you very much.

- 1) AGE (Build up a question and give options)
- 2) SCHOLARITY (Build up a question and give options)
- 3) CITY (Build up a question)
- 4) Where did you grow up?
- 5) Do you believe the activities you used to do were related to the place you used to live?
- 6) You may add some other question.

Now, please consider the activities you used to do in your childhood and answer:

7) DID YOU USE TO...

Leisure activities

School activities

Housework

General information

HOW TO DO THIS EVALUATION:

- 1) GET TOGETHER IN GROUPS OF 4 STUDENTS.
- 2) YOU HAVE TO BUILD YOUR QUESTIONNAIRE AND SHOW IT TO YOUR TEACHER. AS SOON AS SHE SAYS IT IS OKAY, YOU MAY GO TO THE COMPUTING LAB TO ORGANIZE YOUR TEXT***. IF YOU ARE NOT READY UNTIL THE END OF THE CLASS (ON APRIL, 8TH), PLEASE EMAIL THE TEACHER SO SHE CAN CHECK IF EVERYTHING IS OK BEFORE YOU DO THE RESEARCH.
- 3) REVIEW THE TEXT AND MAKE SURE IT IS ALL CORRECT.
- 4) PRINT THE QUESTIONNAIRE (AT LEAST 20 DIFFERENT PEOPLE HAVE TO ANSWER IT- 10 OF EACH GROUP).
- 5) BRING THEM ALL NEXT CLASS (APRIL, 15th). YOU ALSO HAVE TO BRING CALCULATORS.
- 6) ON APRIL 15th WE ARE GOING TO CALCULATE AND BUILD UP GRAPHS. BUT MORE THAN THAT, WE ARE GOING TO UNDERSTAND WHAT THEY SAY AND BUILD UP SMALL TEXTS.

I hope you enjoy the task, but mainly, I hope you learn a lot about English, Math and society.

YOUR FINAL PAPER MUST BE HANDED IN ON APRIL, 29TH. IT MUST BE PRINTED.

Count on me,

Teacher Suzana 😊
